

NORTHWOOD

Premiere Shorthorn Sale

SATURDAY, OCTOBER 21, 1961

CARY, ILLINOIS

OTTO H. GROSSE

BUD GROSSE

On the front cover . . . the head
of BAPTON PIONEER, senior stock
bull at Northwood Farm.

Welcome to Northwood

It is an honor to welcome you to Northwood on this special occasion . . . the Northwood Premiere Shorthorn Sale. In the past few years we have had the privilege of meeting many of you in person. Our visits with you, your messages of congratulations and good wishes, the many expressions of confidence in our operation, have encouraged us to broaden our original programs and to venture into wider horizons . . . to try even harder to fulfill all that you expected we would accomplish.

The past three years have been filled with careful planning. The success of the programs initiated has been most gratifying. We visited leading herds of North America and Scotland. The kindness shown us, and the sound advice, has lent much assistance to our presentation of quality animals today. Our program to make Northwood the stock bull center of the Shorthorn industry has just begun. Today is just a sample of what you can expect in the future in greater volume.

The Shorthorn industry has not even started to enter the smallest phase of its potential. Let us all improve and strive to produce the kind of cattle the meat and ranching industries are waiting for so anxiously.

Nothing . . . yes, nothing can stop Shorthorns if we work and build together. We must combine courage and vision with hard work. We must be honest and sincere with our fellow ranchers, even if it may mean a temporary loss in sales . . . and, in a few years the Shorthorn industry will enter a **TRIUMPHANT MARCH INTO AN ERA OF PROSPERITY AND SUCCESS IT HAS NEVER EXPERIENCED.**

My wife, Edna, my son Bud, and I are proud to be in this Shorthorn business. We are thankful for the great bull, Bapton Pioneer, what he has done for us, and all our other successes. Again, may we welcome you to Northwood and extend our sincerest thanks for coming. We wish you all of the best in the world in abundance.

Otto H. Grosse

Typical Northwood bred sons of Bapton Pioneer. All sell. Left to right, Northwood Pioneer, Blanco, Lot 4; Northwood Pioneer Grand, Lot 2; Northwood Pioneer Major, Lot 6; and Northwood Pioneer Crown, Lot 3.

The Northwood Story . . .

The spectacular rise of the Northwood herd has stirred the attention of Shorthorn breeders throughout the world. Otto Grosse, Northwood Farms owner, approached the task of building the herd with the same vigor and determination that has made his Northwood Mink Farms the unrivaled leader in that great industry. There is always a common denominator to success . . . even in widely varied fields. However, there was a close relationship in principle to achievement in the mink and Shorthorn industries. Northwood mink have reached the pinnacle by breeding the world's best pelts. This required, of course, the acquisition of the finest breeding stock, careful attention to genetics, proper care for health and development, sound customer relations practices. In one month, for ex-

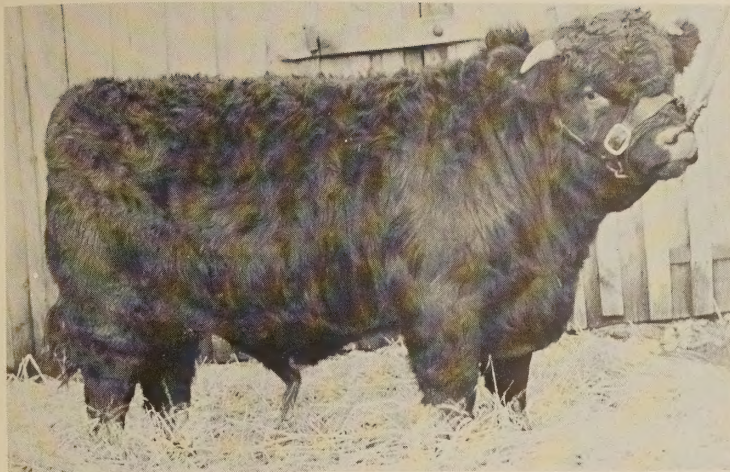

ample, December of last year, Northwood sold over \$1,000,000 in live mink for breeding purposes to buyers from all over the world. Most of these buyers left the selection to Northwood.

Today, a little more than three years after the purchase of his first Shorthorn female, Otto Grosse owns over 300 of the best Shorthorns in the world. Without question, the outstanding single acquisition in Shorthorn history was the purchase of the entire Glastullich herd in Scotland, owned by William MacGillivray. About eighty females were added through the purchase of this herd. No herd of Shorthorns in the world enjoyed a finer reputation than Glastullich. Its produce had been distributed to every corner of the globe. MacGillivray had built the herd carefully over a

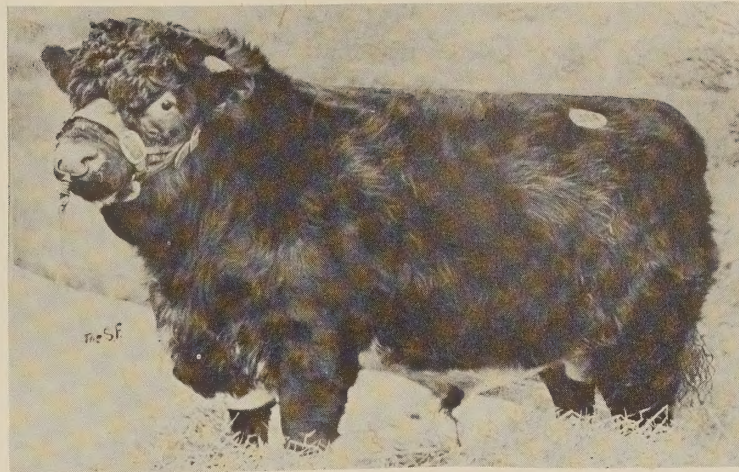

No effort, distance, time, or expense was spared in putting together one of the world's strongest herds.

Edna and Otto Grosse.

Glastullich Garrison. This son of Bapton Balmoral came with the purchase of the Glastullich herd. Northwood sold him in Scotland to Bapton for \$22,500.

One of the Glastullich Perth champions. This is Glastullich Gay Lad, 1956 Perth Supreme Champion, that sold for \$18,600. Sire, Calrossie Hyperbole. Dam, Glastullich Flossy Bess by Calrossie Highland Welcome.

twenty year period, and he had the added advantage of a close association with his famous father, the late Captain John MacGillivray of Calrossie.

Approximately 70 other females were purchased in Scotland. A large segment of these came from the herds of the Anderson Bros. of Kair, Morphie and Burnton. These were all put in calf to the 1960 Perth Supreme Champion, Crichton Buzzard . . . and those already in calf to him were rebred to him for a second calf. The first Northwood-owned Buzzard calves have begun to arrive in Scotland and in due course over 40 calves by this great sire will be the property of Northwood.

Twenty-two females were purchased at Kair, with Grosse concentrating on the Nonpareils and Claras. Fifteen came from Morphie

from their Buttercup, Broadhooks and Clara families. At Burnton, Grosse purchased the famous champion, Burnton Eliza 6th, three of her daughters, and two granddaughters, and others.

Other important female purchases in the old country were made at Uppermill, Bapton, and Prumplestown, and from John Sleight of Tolquohn.

From the time of his first purchases at the 1958 Marellbar sale, Grosse concentrated on selecting the very best available in North America. No effort, time, distance, or expense was spared in seeking out tops. For example, when the Grosses heard that some of the best females from the Millhills Dispersion were being offered in the Brennen Dispersion in the State of Washington last fall, they flew out and bought five. Purchases made at

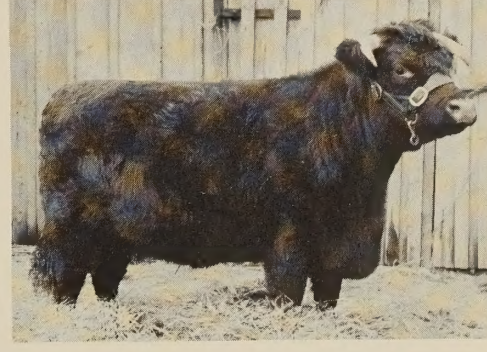

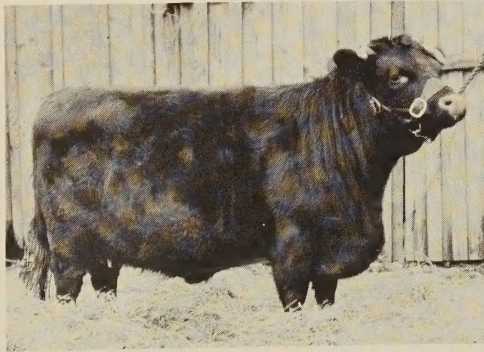

the top prices of other leading sales are well known to Shorthorn breeders in North America.

The acquisition of two top quality medium sized herds had much to do with getting the Northwood program off to a flying start. During

Millhills Pauline 11th. One of five females, originally from the Millhills Dispersion, purchased by Northwood in the Brennen Dispersion in Washington, 1960.

the late fifties, W. C. Gardiner, Silverglen Farms, Fenelon Falls, Ontario, had put together an outstanding herd. Typical of his female pur-

These three are typical of the females acquired in the purchase of the entire Glastullich herd. Left to right, Glastullich Rosewood Rapture by Calrossie Welcome; Glastullich Clipper Fairy; and Glastullich Rosewood Ruth by Bapton Captivator. The last mentioned cow is the dam of Glastullich Rosewood Robin, being used by Northwood in their herd at Boghead, Scotland. She has two daughters at Northwood—one by Bapton Pioneer, one by Gotwick Norseman.

Otto Grosse and William MacGillivray look over a group of the yearling heifers by Bap-ton Balmoral purchased by Northwood with the Glastul-lich herd.

Helmor Arnella, typi- cal of the good cows acquired in the pur- chase of the Helmor herd. She is the granddam of Lot 8.

Silverglen Augusta Poppy and calf. She came with the pur- chase of the Gardi- ner herd in Canada. This pair sells as Lot 64.

The 1960 Perth Su- preme Champion, Crichton Buzzard. Northwood will have over 40 calves by him through female purchases from Kair, Burnton, and Mor- phie.

Gibbonsdale Lucky Broadhooks, purchas- ed for \$3800 in the Louada sale. Calf- hood view of her bull, Northwood Ad- venture, Lot 10. A Pioneer daughter also sells, Lot 19.

chases were the four he bought in the 1956 Louada sale for a total of \$8,075. When Otto Grosse learned that Mr. Gardiner wished to retire from the cattle business, he flew to Canada and after careful inspec- tion, bought the herd, selling all the bulls and some females, bring- ing home the very best.

The Helmor herd of Maurice Oftedahl, Libertyville, Illinois, had been put together in the same care- ful manner. In 1953, Mr. Oftedahl was fortunate in securing the good breeding bull, Cruggleton Purvis for \$22,500. Among this bull's most famous sons were the \$10,000 Mar- ellbar Purvis and Helmor Purvis 361 used with such success by Mar- ellbar and Anthony Petkus, White- hall Farms. A number of daughters of Cruggleton Purvis came with the Oftedahl herd to Northwood.

Most successful herds can trace their rise to the purchase of a cer- tain potent stock bull. Grosse con-

siders the purchase of Bapton Pioneer his best stroke of luck since entering the business. The evidence of this sire's ability will be clear to all on sale day. Comment on his pedigree appears at length with the reference sires in this catalog.

"The purchase of cattle in Scotland, particularly an entire herd, has its difficulties, but these are such that a determined person can overcome," commented Grosse. "There is the problem of quarantines, shipping, and on many older animals, health tests. The easiest solution was to lease a farm over there, which we have done at Boghead. This is capably managed. The cattle operate as a herd there, and as they are ready for shipment are being brought to North America. We expect another large shipment to arrive shortly before the sale; another in November."

Grosse added that one of the things that has been the most encouraging to him in the Shorthorn business has been the wonderful attitude of Shorthorn breeders everywhere . . . the obvious feeling that they have an important stake in what is happening at Northwood. "It's true, we must depend upon each other as sources for improving bloodlines. Actually breeders are not competitive with one another. We are co-partners in the big, fascinating task of building the breed to the tremendous potential we all know it has. And the best bloodlines in the world are here for you today."

Results of the Northwood program is indicated by these Bapton Pioneer daughters. Left to right, Northwood Rosewood, Lot 26; Northwood Goldie, Lot 28; Northwood Beauty 2nd, Lot 40; Northwood Carnation 2d, Lot 21; and Northwood Princess 6th, Lot 27.

Northwood Augusta 4th, Lot 46; Glastullich Princess Belinda, Lot 30; and Northwood Clipper.

Burnton Eliza 6th, shown winning one of her many championships. This cow, three daughters, and two granddaughters were purchased by Northwood in Scotland. Alex Anderson, breeder, is at left.

PASTURE SCENE OF BROOD COWS AT NORTHWOOD FARM

GENERAL SALE INFORMATION

— Free Delivery —

Northwood will deliver all purchases free of charge, at a convenient date after the sale, to central locations in any portion of the United States and to Toronto. Insurance from date of sale is to be furnished by the buyer.

Don't Miss Any of the Fun

Be sure to arrive on Friday for a leisurely view of the herd and sale cattle. Cocktails at 5 p.m. Shorthorn beef dinner follows. Lunch at the farm Saturday, at 11:00 a.m. sharp.

TIME AND PLACE — The sale will be held at Northwood Farms, Saturday, October 21, 1961, starting promptly at 12 Noon. Northwood is located 3 miles north of Cary, Illinois, approximately 40 miles northwest of Chicago . . . 18 miles north of Elgin. From the junction of Rts. 176 and 31, go south one-half mile on Rt. 31 to first road leading east. Signs will lead you to Northwood. Northwood is less than a half hour's drive from O'Hare Airport. Cary is located on Rt. 14.

MEETING YOU — To avoid confusion, we are designating a central place to meet all visitors who will need transportation to the farm—Henrici's O'Hare Inn near O'Hare Airport. This is just a five minute ride from O'Hare by the shuttle bus. Construction and confusion at O'Hare airport make this necessary. It is easy to get to O'Hare from downtown Chicago or Midway airport by helicopter or airline limousine. If possible, please advise us of your arrival time in advance. If not, call the farm and we will meet you at Henrici's O'Hare Airport Inn lobby.

FARM PHONE — Cary, Illinois — Day: MErcury 9-3801; Night: MErcury 9-3805.

MOTEL RESERVATIONS — There are many excellent motels in the area. Advise us when you will arrive and we will be happy to make reservations for you.

GUARANTEE — All cattle in this sale will be sold under the Standard Guarantee of the American Shorthorn Association. In addition, Northwood makes the **further guarantee** of all females as breeders **regardless of their age**. Certificates of registry and transfer will be furnished with each lot sold. All cattle become the property and risk of the buyer as soon as bid off. However, every effort will be made for their care. Be sure to leave shipping instructions with Howard Bell, Manager.

THE SALE STAFF

MAIL BIDS —

Those unable to attend and who desire to buy may send buying orders to any of the following reliable men, all of whom will be in attendance . . . or to any of the personnel at Northwood.

AUCTIONEERS

DICK KANE, Wisner Nebraska
DON SMOCK, Whiteland, Indiana
H. P. MILLER, Danvers, Illinois

REPRESENTATIVES

C. D. Swaffer, American Shorthorn Assn., Livestock Exchange Bldg., Union Stockyards, Omaha 7, Nebr.
Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.
Mervin F. Aegerter, The Shorthorn World, Seward, Nebr.
Bill Stunkel, The Shorthorn World, 16 So. Locust St., Aurora, Ill.
C. K. Tomson, Harding & Harding, Geneva, Ill.
Lyle Eiten, Corn Belt Dailies, Union Stockyards, Chicago 9, Illinois.
Tom Sherlock, Wallace's Farmers, Des Moines, Iowa.

SALE MANAGER — Don Longley, 16 So. Locust St., Aurora, Illinois
These men may be reached at the addresses given above, or within 24 hours of the sale by calling them in care of Northwood Farms.

HEALTH — All cattle will be sold to comply with the requirements of the State of Illinois. Health certificates will be furnished. Official calfhood vaccination of heifers is a policy at Northwood.

TERMS — The terms of the sale are cash. All settlements to be made with the clerk at the conclusion of the auction and before the animals leave the premises.

BREEDING DATES — A list of breeding dates will be supplied at the sale. All females far enough forward in calf will be pregnancy examined. Announcements from the auction block supercede any written material.

LIABILITY — The guarantee and terms shall constitute contract between Northwood Farms and the buyer of each lot. Northwood Farms and its owners can accept no responsibility for accidents that may occur. Accidents at cattle sales are rare, but all attending must assume their own risk. Neither the sale manager nor any of the others hired by Northwood to assist with this sale can accept any responsibility for accidents or fulfillment of contracts.

Bud Grosse getting ready to prepare Shorthorn steaks.

It has been said that boredom and mediocrity are the rewards of the over-cautious. Great things are accomplished by men of judgment and vision . . . men who are bold in their approach . . . men who think big.

In fifteen years as a fieldman, I have never known any person to put together as many outstanding cattle in such a short span of time as has Otto Grosse. I am sure this same impression was gained by the hundreds who visited Northwood for their field day in June.

The contribution that one man and one herd can make to any breed is almost immeasurable. We are fortunate to have such people as Otto Grosse, and his son Bud, a part of the new Shorthorn horizon. The success of Northwood is important to every owner of Shorthorns and Polled Shorthorns in the world.

When Otto Grosse decided to have a sale, he was determined to go all out. He did not in a single instance, refuse our requests to include any animal we felt would make a substantial contribution to the quality of the sale. He is in an unusual position to do this because of the size of the Northwood herd, because of the large number he has purchased in Scotland that are now awaiting shipment to North America, and because the cow herd is young in age.

The bulls are a group worthy of the careful consideration of the finest herds . . . high uniform quality runs deep. The females are a beautiful lot. These cattle will be pleasing to even the most exacting buyers. They are the rare kind, seldom offered and of the calibre to fortify the future of the breed.

*Don Longley, The Shorthorn World,
Sale Manager*

**THE LOUADA, ABERFELDY,
SCOTSDALE, ETTRICK SALE**
will be held at Peterborough, Ontario,
Monday, October 23.

CHARTER PLANE — Northwood has reserved a special Trans-Canada Viscount (44 passenger) for the exclusive use of Shorthorn breeders who will be traveling to the Louada sale after the Northwood sale. Simply purchase a Trans-Canada ticket from Chicago to Toronto, leaving the flight number open. This ticket will be good on the charter plane. Trans-Canada is very cooperative in this arrangement. Cocktails and steak dinner will be served aboard. However, you must advise Northwood as soon as possible to have a reservation. We will provide transportation to O'Hare airport. Let's keep the Shorthorn gang together.

There are also Saturday night and Sunday scheduled TCA flights to Toronto as well as overnight train service from Chicago.

FIVE OF THE FIRST DAUGHTERS OF BAPTON PIONEER BEING VIEWED AT NORTHWOOD FARM OPEN HOUSE IN JUNE. THEY ALL SELL IN THIS SALE.

The Sire of Bapton Pioneer is Bapton Cairnbrogie, 7000 gns. top selling bull, Perth, 1957, purchased by A. R. Cross, Calgary, Alberta. Sire: Calrossie Constellation. Dam: Aldie Augusta Johanna by Aldie Jonathan Adonis.

Bapton Cairnbrogie is a full brother to Bapton Constructor. Bapton Cairnbrogie was the Supreme Champion at the 1958 Calgary International Show, one of the largest ever held in Canada.

BAPTON CAIRNBROGIE
photo taken in Scotland at ten months of age.

BAPTON MAVIS CROCUS
photo taken at Louada with her 1959 bull calf by Bapton Constructor. This calf was sold at a high price to Maclyn Plantation, Albany, Georgia.

Kirkton Hercules is the sire of the dam of Bapton Constructor. His daughters are among the most valued at Bapton. Without question, he will go down as one of the great sires of the breed.

Kirkton Hercules was purchased by Bapton for 5000 gns. Seven of his first sons brought a total of \$69,300, averaging nearly \$10,000. These included Bapton Aurora (5000 gns.) who in turn sired Bapton Controller, 1957 Perth champion (6500 gns.), a bull that is making an excellent record in the Naemoor herd.

Visitors from Scotland have pointed out that Bapton Pioneer appears to be the most potent of Kirkton Hercules grandsons, transmitting to every calf that great Kirkton Hercules breed character.

The dam of Bapton Pioneer is Bapton Mavis Crocus, certainly one of the greatest brood cows in the world. She was purchased by Louada for 1500 gns. at the Bapton-Glamis sale and came to North America carrying Bapton Pioneer.

Her second calf, a year younger than Bapton Pioneer, sold at a high price to Maclyn Plantation, Albany, Georgia. Her third calf, also a bull, is considered the best young bull at Louada today. She now has her fourth calf, an outstanding heifer.

Every great sire must have a great mother. We are mighty proud of the dam of Bapton Pioneer . . . and her record. There is no stronger line of females in the Bapton herd.

Typical daughters of Bapton Pioneer. This picture was taken in May by Abernathy-Oscar Co. Left to right, Northwood Augusta out of Helmor Arnella; Northwood Mabel, Lot 20; Northwood Village Girl 2nd, Lot 18; and Northwood Broadhooks 2d, ot 19.

BAPTON PIONEER

THE MOST TALKED OF BULL IN THE WORLD

Bapton Pioneer, senior stock bull at Northwood, presents to you today a sample of his performance and quality production. Pioneer is the most talked of bull in the world today. His calves are being watched by leading producers in the United States, Canada, Scotland, New Zealand, and Australia. It is a performance difficult to equal, because here you see ALL his sons . . . it has not been necessary to steer a single one. We are selling every daughter old enough to enter in this sale . . . with the exception of one that we have purposely re-bred to him.

The dominant power of Pioneer to completely reproduce himself in his bull calves . . . and to sire daughters every one of which is supreme in quality makes him a tremendous asset to the Shorthorn industry. He has been mated to females of many bloodlines and in every instance his great pattern, regardless of the bloodline of the dam, is unmistakable. This is the

greatest assurance you can have that his blood will nick in your herd.

The calves by Pioneer are outstanding from the day they are born. No apology is ever necessary during the various awkward stages as, at all times, they maintain their beautiful heads, broad backs and four good legs placed in balance. His beautiful daughters, as you will see, are an inspiration to anyone who sincerely seeks supreme females to add strength and quality to his herd.

We are very thankful and have a deep feeling of humility and gratitude that we were fortunate enough to buy this great bull, who will, without doubt, go down in history as one of the GREATEST BULLS THE SHORTHORN INDUSTRY HAS EVER KNOWN.

The superior gainability of his calves provides further assurance. Study his calves . . . from the youngest right up to his oldest son in the sale . . . and you will have a picture of how they do. Keep in mind this has been done without

pushing them too fast or burning them out with hot feed. We have 175 cows in the herd pregnant to Bapton Pioneer at this time. Cattle ranchers having herds of thousands of females have expressed their great admiration for Bapton Pioneer and after seeing the calves invariably express a desire to purchase any number of bull calves available in large numbers to use in their herds.

Pioneer's sons and daughters will fulfill your expectations of quality when you see them here . . . and later on at your own ranch. Females carrying his service will drop calves that will be among your greatest assets. PIONEER'S SUPREME DOMINANT POWER to reproduce himself and stamp his image on every calf born so far is your assurance that this power will be carried also by his sons and daughters.

For years to come, breeders owning Pioneer bloodlines will have a security that no other bull has ever given them.

Glastullich Victor is the son of Bapton Balmoral that we selected to retain as a stock bull at Northwood. A powerful two year old with a great head, substance, and deep muscled fleshing. We have his first calves at Northwood and they add to our conviction he is a sire that has a great future here. We have word from Scotland on the first calves there that further confirm our faith in him. Several of the females in the sale are bred to him. Others who buy Bapton Pioneer daughters with breeding privilege will want to have them served to Victor.

Bapton Balmoral was originally purchased at

Perth by Duncan Stewart of Millhills for 2400 gns. At the Millhill Dispersion he was purchased for 5400 gns. by Captain John MacGillivray of Calrossie and William MacGillivray of Glastullich for use in these herds. After two very heavy seasons he was sold privately to Mr. J. Davies, South Australia.

Roths Queen Clyte is a full sister to the famous Westdrums sire, Erimus Emeritus.

Glastullich Paloma is a grand roan cow by Calrossie Highland Monarch, the well known stock bull at Glamis, sire of Perth champion groups.

Bapton Balmoral was purchased originally at Perth, 1956, for 2400 gns. by the late Duncan Stewart of Millhills. At the Millhills Dispersion he was purchased for 5400 gns. by J. and D. P. MacGillivray, Calrossie, and William MacGillivray, Glastullich for use in their herds. After two very heavy seasons he was sold privately to Mr. J. Davies, South Australia.

Rothes Queen Clyte is a full sister to the famous 6000 gns. Westdrums sire, Erimus Emeritus. She, too,

is by Kirkton Hercules, sire of the dam of Bapton Pioneer, which provides an ideal tie-in for these two bloodlines.

Cruggleton Balmoral, one of the greatest sires ever bred by the master breeder, A. J. Marshall, made a name for himself in the Chapelton herd before being purchased by Capt. DeQuincey for use in the Erimus herd.

The keenest Shorthorn judge in the world . . . Gordon Blackstock, manager of the Bapton herd, selected a son of Bapton Balmoral . . . Glastullich Garrison . . . for use in the Bapton herd on daughters of Calrossie Constellation, Kirkton Hercules, Bapton Constructor, and Bapton Roan Robin. Glastullich Garrison was purchased from Northwood for \$22,500 after we had bought the entire Glastullich herd.

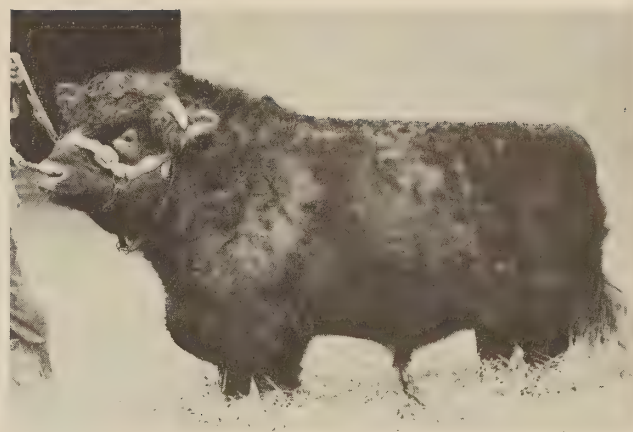

Reports from Scotland indicate the first calves by Glastullich Garrison are among the best ever produced at Bapton.

One of the best calves ever produced by Alec Anderson. Winner of many shows, his promising career was ruined when he was overfed and foundered. Purchased on his record and pedigree by Glastullich. A son of the famous Calrossie Crocus Count, sire and grandsire of many Perth champions and winning groups. The dam was a beautiful cow of great A. J. Marshall background. We sold him to a Scottish breeder after buying the Glastullich herd. After seeing his calves we tried to buy him back, offering four times the price, but were refused.

This excellent son of Calrossie Welcome was selected by William MacGillivray from his father's herd. He was used liberally for a season and sold. Three sons and four daughters are a feature of the Northwood Premiere Sale! Their uniform excellence is ample testimonial of the ability of Calrossie Courtier as a sire.

GLASTULLICH SUNSHINE — One of the great young bulls we acquired with the purchase of the Glastullich herd. A half brother to Glastullich Garrison, the bull we sold to Bapton for \$22,500. Glastullich Sunshine has been used liberally at Northwood this year and we are selling him as a feature of the sale only because we have his half brother, Glastullich Victor. Some of the Bapton Pioneer daughters in the sale will carry the service of Glastullich Sunshine.

His dam is in our herd in Scotland and is one of the very best. She is a daughter of Calrossie Hyperbole, sire of two Perth champions, Glastullich Gay Lad (1956) and Calrossie Fortitude (1958). The granddam is also in our herd in Scotland and is a daughter of the famous Calrossie Ocean Wave. The great granddam, Glastullich Augusta Annis, is at Northwood along with three outstanding daughters. Be sure to see them.

Left, calfhood picture of Glastullich Sunshine, taken in Scotland.

Glastullich Augusta Doon by Calrossie Ocean Wave. She is the granddam of Glastullich Sunshine.

NORTHWOOD PIONEER GRAND — Out of an excellent cow by the \$20,000 Cruggleton Purvis. She is now nursing a full brother, a year younger, and one of our best young prospects. She also has a top Kair Ranger daughter in the breeding herd. This Clanmurray Madge family has done well for all who have owned them. A heifer from this family sold in the 1961 Acadia sale for \$2,000 to Tempel Farms, Wadsworth, Illinois.

NORTHWOOD PIONEER CROWN — This son of Pioneer has caught the eye of all visitors to Northwood. His dam is out of the same cow as S & T Augusta 21st, junior and reserve grand champion female, Illinois State Fair, 1961, for Malcolm Tucker. The 1960 International grand champion bull, S & T Pace-maker, was from a full sister to S & T Augusta 5th. The future demand in color is pointing toward more roan cattle. This young bull is considered by leading breeders as being the greatest young bull ever offered.

**ALL NORTHWOOD PICTURES ARE AMATEUR,
UNRETOUCHED . . . TAKEN BY BUD GROSSE**

S & T Augusta 21st. Junior and Reserve Grand Champion Female, 1961 Illinois State Fair for Malcolm Tucker, Chrisman, Illinois. The dam of Lot 3 is out of the same cow as this champion.

NORTHWOOD PIONEER BLANCO, Lot 4

NORTHWOOD PIONEER BLANCO — A great young bull out of a famous family that came to us with the purchase of the Gardiner herd. Mr. Gardiner purchased Louada Augusta Poppy for \$2,150 in the 1956 Louada sale. Her dam, Killane Augusta Poppy, sold for \$2,350 in the Louada sale to George Lasby. In the Lasby herd today there are three daughters and two granddaughters of Killane Augusta Poppy. He is definitely one of the best young white bulls ever offered. Many attractive offers have been refused for him.

GLASTULLICH ULTRAMAR — An opportunity to buy a son of Calrossie Christmas Carol, a sire used at both Calrossie and Glastullich and exported at a high figure to New Zealand. He was the sire of Calrossie Legend, the sire of Leveldale Peerless, grand champion bull 1961 Illinois State Fair. His dam was one of the top cows in the Kirkton dispersal.

The dam, Calrossie Roan Princess, is here at Northwood and you should be sure to see her and her Glastullich Rosewood Robin bull calf. The granddam is by Glastullich Fortress, sire of many beautiful females for the MacGillivrays, as well as the Perth supreme champion, Glastullich Smasher. Ultramar has been used in the Northwood herd. Remember, every outstanding bull ever produced is closely related to a white bull. This could be that great white bull in your herd.

Leveldale Peerless. Grand champion bull, 1961 Illinois State Fair. His sire is a half brother to Glastullich Ultramar, Lot 11.

Right, Calrossie Christmas Carol, the sire of Glastullich Ultramar.

GLASTULLICH DEAN, Lot 12

GLASTULLICH DEAN — The dam is here at Northwood. Be sure to see her and her bull calf by Glastullich Rosewood Robin, the bull we are using at our farm at Boghead in Scotland. She is a beautiful three year old by Bapton Balmoral, the sire of Glastullich Garrison, Bapton stock bull, and Glastullich Sunshine, Lot 1 in this sale.

NORTHWOOD CAVALIER, Lot 15

NORTHWOOD CAVALIER — Out of one of the outstanding cows that we purchased at the Brennen dispersion in Washington. This is a great Millhills family originally acquired by the Brennens in the Millhills dispersion. The sire, Bapton Cavalier, was the top selling bull to enter the U.S. in 1958. When he was resold last year in the Brennen dispersion he brought \$4,600, going to Charles Broughton, Wheatland Ranch, Dayton, Washington. His first son brought \$2,500 in that sale.

MAINS WHITE CAVALIER — This impressive bull came at foot with his dam from the Brennen dispersion in Washington. The Blood Royal family from Millhills are well known. Louada Farms have had outstanding success with this family. The Brennens originally bought the dam as a calf in the Millhills dispersion. She has developed into an outstanding cow and now has at foot a dark roan bull calf by Bapton Cavalier that is a full brother to Lot 17. Bapton Cavalier was the top selling bull to enter the U.S. in 1958 and sold for \$4,600 in the Brennen dispersion.

Left, Bapton Cavalier. Top selling bull to enter U. S. in 1958. Sire of Lots 15 and 16.

Cherrywood 24th. This beautiful heifer of Millhills breeding is the dam of Mains White Cavalier, Lot 16.

NORTHWOOD BANKER DOMAIN, Lot 17

NORTHWOOD BANKER DOMAIN — This grandson of Bapton Constructor is out of one of our best cows. The dam, Louada Augusta Poppy, is also the granddam of Northwood Pioneer Blanco, Jr. She was purchased by Mr. Gardiner for \$2,150 in the Louada sale and her dam, Killane Augusta Poppy, brought \$2,350 in that sale.

Curtiss Candy Carnation

NORTHWOOD CARNATION 2nd — We consider her dam one of the best females in the herd. This has been a great family for all who have owned them. They trace to the Curtis Candy Carnations, great show and breeding cattle for Curtis Candy Farms. The dam, Susanna Carnation, was the reserve grand champion female at the 1955 Illinois State Fair. Sells open with breeding privilege.

Susanna's Carnation. She is the dam of Northwood Carnation 2nd, Lot 21.

this is the place where three years ago a new Shorthorn herd was founded with the purchase of a little white heifer.

this is the place where the finest Shorthorn females offered at auction in the past three years in North America have found a new home.

this is the place . . . where the great sire, Bapton Pioneer, has amazed and thrilled Shorthorn breeders from every part of the world . . . where 75 of his calves are now on the ground and where 175 more females are pregnant to him.

Remember . . . we are selling every Pioneer daughter of saleable age, except one . . . nothing being held back, in an effort to assemble the very best for you in the Northwood Permiere offering.

BAPTON PIONEER

This Is It

NOTE . . . Had we accepted a syndicate offer tendered to us recently, Bapton Pioneer would have been by a great margin the highest priced Shorthorn bull in the world.

PIONEER

this is the place and the only place, to which William MacGillivray would consent to sell his entire Glastulich herd, rather than disperse them by auction . . . because he knew that here we would carry on to an even greater degree his lifetime of work with that herd and supply the kind of stock bulls and females so urgently needed by Shorthorn breeders throughout the world.

this is the place where within the next few months additional large shipments of the top females from the outstanding herds of Scotland will arrive.

The Place

. . . . where you can buy the kind of stock bull for which you have been looking and have not been able to find . . . where you can buy females of supreme quality to fortify your herd for the premium Shorthorn market of tomorrow.

GLASTULLICH VICTORIAN LASS, Lot 29

GLASTULLICH VICTORIAN LASS — A daughter of Burnton Blockbuster. He was the pride of Alec Anderson, won many shows, but was ruined by over-feeding and foundered. He was purchased on his record by Glastullich. When we bought the herd we sold him to a Scottish breeder. After seeing his calves we tried to buy him back, offering four times what the man had paid but were refused.

Glastullich Victoria has a good Glastullich Rosewood Robin heifer calf at foot now. Kair Countess Victoria was the dam of Kair Ranger and Kair Ambition.
Sells bred to Bapton Pioneer.

GLASTULLICH MARY CLARE — This outstanding heifer is out of a top Calrossie cow that is in the herd at Northwood now. Be sure to see her 1961 heifer calf, a beautiful daughter of Glastullich Victor. The dam is a daughter of Calrossie Highland Welcome, the son of Calrossie Welcome that was used so successfully by Glastullich. Bred to Bapton Pioneer.

GLASTULLICH QUEEN INA — Another beautiful daughter of Burnton Blockbuster (see notes on Glastullich Victorian Lass). This is the famous K. P. MacGillivray Rothes Queen family. Kirkton Hercules is just one of the great bulls from this family. The dam is still in Scotland in our herd at Boghead. She is a daughter of Calrossie Triumphant, sold at Perth in 1955 for 5200 gns. He was unbeaten in Scotland in 1958 and is a full brother to Calrossie Constellation, the great Bapton sire. Bred to Glastullich Sunshine.

NORTHWOOD SECRET — The dam is the oldest cow in the herd but a very good one. We purchased her at ten years of age at the Susanna dispersion where one of her daughters brought \$2,300. We have another daughter in the herd. Bred to Bapton Pioneer.

Three typical brood cows at Northwood. Note the breed character, wide muzzles, and deep bodied.

NORTHWOOD BLOOD ROYAL 2nd — Sired by Louada Elation that was out of the Royal Winter Fair reserve champion female, Strathmore Collynie Violet. This has been a great family at Louada. The dam was purchased by Mr. Gardiner for \$2,050 at the 1956 Louada sale. She is a full sister to Louada Blood Royal A 2nd that produced the 1957 International grand champion female, Kickapoo Blood Royal. Bred to Bapton Pioneer.

Left, Kickapoo Blood Royal, 1957 International Grand Champion Female. Her dam is a full sister to Louada Royal A, the dam of Lots 53 and 55.

Louada Blood Royal 9th. Purchased for \$5000 by Northwood Farms in the 1959 Louada sale.

NORTHWOOD FLOSSY ROMA — Sired by Louada Grand Slam that is out of the same dam as the \$8,000 Louada Forager. This great Calrossie Floss family was one of the best in the Birmingham herd of Ben Franklin in Canada. The granddam, Calrossie Flossy Roma, was a direct daughter of Millhills Champion, selected by Mr. Franklin at a high price from the Calrossie herd in Scotland. Be sure to see the maternal sister also selling in this sale. Bred to Bapton Pioneer.

GLASTULLICH CLARENCE

The buyer of the first Glastullich bull from Northwood was the famous Bapton herd in Scotland, whose manager Gordon Blackstock selected Glastullich Garrison for \$22,500.

The second Glastullich bull sold by Northwood was Glastullich Clarence, pictured above, purchased by Henry Dietz & Sons, Wakeeney, Kansas. This bull is out of the same female family as Glastullich Clar-etta, Supreme Champion, Royal English show.

E. W. Davidson & Sons, Americus, Kansas, were the first owners of sons of Bapton Pioneer. This spring they purchased Northwood Pioneer Scout and Northwood Pioneer Royal, the first two sons of Bapton Pioneer.

Feeding Practices at Northwood

You are buying breeding cattle . . . and we are selling you breeding cattle. They have not been over-fitted or burned out with hot feeds. During June only 5% of the ration was corn, 6% in July, 7% in August and September. We trust you will accept the condition in which you find our cattle, as this is the way they can look in your pastures. No chemicals, hormones or drugs have been added to their diet. Your success is very vital to our future.

Otto H. Grosse

Honored guests, fellow cattle ranchers:

On the foregoing pages, we have tried to point out to you what we have done here at Northwood in the past three years. You have seen what time, effort, labor, money, and miles travelled have produced. You will see the strength and the fortitude of our pedigrees. We are thankful that we have been able to purchase these beautiful cattle and to present them to you on the foregoing pages. You will see on our farm and in this sale an organized breeding program in operation. **Also remember, Northwood is importing and has imported during the last two years, more good Shorthorn cattle from Scotland than the entire beef world put together.** You will realize as you study these pedigrees and see our cattle and our method of operation that we are establishing here a pillar of strength and fortitude in our breeding program. The industry is for all of us; let us build; let us fortify. Today is ours. Let us build together for tomorrow.

When you leave Northwood, we cordially invite you to return soon. Our hearts and our doors are always open. We urge you to visit us when you are near Chicago at International time. Send your ranch managers or your sons and daughters anytime. We send all our good wishes and kindest regards to all the folks at home. We wish they were all here.

We know that you will have good luck with the cattle you will purchase here at Northwood as we guarantee your success. We wish you good health and the best of the world in abundance.

Sincerely yours,

Otto, Edna, and Bud Grosse

Notes . . .

*Let us all move forward together . . . as
one force . . . with the single purpose of
advancing the world's greatest breed of
beef cattle -- Shorthorns*
